## SUMMER COURSES 2010 - SUPERVISION ON DAY EXCURSIONS

On excursions older students often want to form a group and look around the town/do some shopping **without constant supervision by a teacher**. We are usually happy for them to do this provided we have their parents/guardians **written permission**.

**Please complete and return this form BY FAX on +44 (0)1694 731219 to the College**

- Teachers will **always** supervise students on the coach journey to and from the place being visited
- There will **always** be a teacher available at a meeting point in the place being visited
- We will need a **Mobile Phone Number** for each student group so that teachers can contact them
- Students will **always** be given the **Mobile Phone Number** of the supervising teachers who are in the place being visited
- Students will be told that they **must stay in a group**
- Students will **not** be allowed to walk around on their own

If your child does **not** have **written** permission to be with a group of friends  
He/She will be supervised by a teacher.  
Please **return** form **prior to commencement** of the course or **as soon as possible**

Please indicate below **FOR EACH EXCURSION LOCATION** if you would allow your child to be given unsupervised free time to shop in a group with his/her friends or if your child should remain with the teacher throughout the duration of the day excursion.
